New Teachers at Lighthouse

We have recently had two new teachers join Lighthouse: Ms. Aysha and Mrs. Krystal. Please join us in welcoming both teachers.

Ms. Aysha comes to us with most of her experience working with Kindergarten and older children. She has training and education to teach the little ones and has quickly adjusted to helping the 2-year-olds.

Mrs. Krystal comes to us with experience working at other Montessori schools. She has Montessori training from North American Montessori Training Center and prior experience working with young children.
