	9/7	9/14	9/21	9/28	10/5
Sun	a	t	s	m	c
Earth	a/t	a/t	s	m	c

COVID-19 Policy - Mask Wearing Will Be Optional for Children

As of Monday, 9/19, mask will no longer be required for children at

Lighthouse. If you would like your child to continue wearing a mask, please ensure they enter the classroom wearing a mask marked with their name. The teachers will make every effort to continue to support you. Teachers will continue to wear masks. We will continue to do the weekly test.

COVID-19 home tests are available in most local pharmacies at No-Cost with many insurance plans. Kaiser members may order

new kits regularly free of charge. Our supply here at school is runny quite low.

Back to School -Parents Night

Zoom meeting on Wednesday, September 21st, 7:30-8:30 p.m.

This will be a meeting to share more information about the Montessori method and philosophy, more about our specific policies and procedure, and a time to ask questions.

Developmental Screening

Easter Seals now provides a free screening tool that parents can use to learn more about their child's developmental level.

This is a valuable tool that we want our parents to have access to. The first five years are critical in a child's life. And this is the most important time to get your child support for a developmental delay or special need. You only need 10-20 minutes to check with the Ages & Stages Questionnaires®, Third Edition. Your ASQ-3™ results will help you see if your child's developmental progress is on time and alert you to concerns that you can talk over with your health care provider and look for other support resources.
