## Graduation and All School Celebration (See Details on the Graduation Flyer)

On Friday, June 12, from 9:30–11:00 AM, we will celebrate our Graduation Ceremony and All-School Celebration in the Atrium just inside the glass-door entrance! Lighthouse will open at 8:30 AM that day. Please have your child arrive before 9:15 AM.

Children entering Kindergarten will be recognized by wearing caps and gowns, and children entering TK will receive a special congratulations. All children from the Sun and Earth Rooms will perform songs. The Ocean Room will showcase their music circle through a video presentation. School will close early at 11:30 AM.

## Sun & Earth Room Parents

On Thursday  
6/11, please  
clean out all

items from your child's cubby when you pick up your child, as the classroom changes and cubby reassignment will be done during our classroom swap preparation. This is also a great opportunity to re-sort your child's extra clothing for the new season. Children's indoor shoes may remain at school. We will be closed on Monday, June 15 for our Teachers' In-Service Day as we prepare for the Sun/Earth classroom swap.

Beginning Tuesday June 16, our Earth Room will become the new TK/K Room. Children registered for the TK/K program will be placed in this classroom. We may also place a few children who are not enrolled in Lighthouse TK/K into the TK/K Room temporarily before they transition to public school. Families will be informed individually if this applies to their child.

Summer  
Camp  
(6/16-8/31)  
Each week

will be filled with fun learning activities in each classroom.

## Vacations, Withdrawal or Change of Schedules

If you will be making any change to your child's regular schedule please go to our website to notify us. At least two weeks' notice is required.

**Reminder: No School Monday 6/15**

Sincerely,
