Thank You

We would like to express a sincere “Thank You” to all the parents and children of Lighthouse who brought gifts for the teachers and staff.

We each greatly appreciate your thoughtfulness and generosity.

Quiet and Considerate Departures

When picking your child up please remind them that class is still in session for other children. They should exit the classroom quietly just as they enter

quietly. Please do not disturb the on- going activities. Children leaving at 12:30 should be mindful that other children are beginning their nap time.

Unsupervised play in the hallways is not permitted at any time. Thank you for your consideration.

Dressed for the Weather

It is January and it is officially winter. Every child needs to have a jacket for outdoor play daily. Teachers may send your child’s extra clothing home to assure their extra clothing still fits and is appropriate for the winter weather. Please return all pieces of necessary clothing in case your child might have a spill or accident.

School Policy Reminder:

Please see our Parent Handbook (www.Lighthouse-Childcare.com) for details.

Schedule change/withdrawal: A two-week written notice is required.

Vacations equal to or longer than 5 consecutive business days: 50% of the regular tuition will be waived the following month when written notice is received two weeks before vacation.

Birthday is celebrated with the traditional Montessori activity “walking around the sun.” The birthday child is invited to bring a personal timeline - one picture representing each year of the child’s life. A healthy birthday treat is always welcome.

No sugar-laden lunches.

The 2022 Tuition receipt was attached to Jan's invoice email.
