

Lighthouse Montessori Newsletter

Theme for the Month

Dinosaur (August 1 – 15)

Season: Summer

Outdoor Learning / Exploring Nature

New Tuition Rates

The new tuition rates were previously emailed to all parents and are posted at the entry of each classroom. The new rates are effective September 1, 2022.

Staffing Changes

Mrs. Preeti will return to the Sun Class after several weeks of vacation. Mrs. Andrea is returning full-time this month to teach in the Earth room. We are sorry to say that Mrs. Shashi will not teach at our school from 8/15. We appreciate her loving heart for all the children and wish her the best.

- Sun Class Teachers: Mrs. Preeti, Mrs. Jaja, Mrs. Jessica
- Earth Class Teachers: Mrs. Andrea, Mrs. Manju
- Ocean Class Teachers: Mrs. Lourdes, Ms. Wendy

Reading Program

Lighthouse has signed up for a reading program with the San Jose Public Library. We all know

that reading to children is very important for their language development. We hope that you are reading to your child each day. We have recently sent free books home courtesy of SJPL as part of this program. Please enjoy these stories with your child.

Increased Security

This month and next month, we will be increasing our security measures to make our school as safe as possible. We will have a new entry code for each classroom door. The new code will be emailed to you the day prior the change. By September 1st the glass doors at the entrance of the school will be locked at all times. Each family will receive two fobs that will serve as an electronic key for entering the building. Procedures are in place for allowing access to visitors and deliveries. Parents should not allow anyone to enter with you that is not a parent or who does not have a fob.

Show and Tell Day

Every Wednesday, children may bring an item from home that is related to one of our current themes. Each child that brings an item will be invited to show the item and tell about the item. Show and Tell items should be something that will add to the learning experience of the children in their class; a book, a photo, a figurine, a postcard, an item from a collection, etc.

Kind Reminders:

School Closed

Friday, August 12 - Teacher In-Service
Monday, September 5, 2022 – Labor Day

Sincerely,

Lighthouse Montessori Staff
