## Kindergarten/TK Information Night

Wednesday, January 29<sup>th</sup>,

7:30-8:30 p.m. will be our

Kindergarten / TK

Information Meeting via Zoom. Many of our children in Sun and Earth classrooms are age-eligible for TK/Kindergarten programs. Before you make decisions about enrollment, we would like to make sure you know all that Lighthouse Montessori has to offer for your child's educational advantage. We will discuss:

- What is Montessori Transitional Kindergarten?
- Montessori vs. Traditional Kindergarten
- Lighthouse Curriculum and Schedule.
- Pros and Cons of Both
- Q & A

We truly understand that parents are eager to know about their child's

learning and growth at school and desire more communication. However, dropping-off and picking-up times may not be optimal for in-depth discussions as our teachers must focus on the children in the classroom during these periods. We warmly encourage you to make use of the communication sticky notes provided near the classroom entrance. Additionally, we welcome you to schedule a dedicated time for communication via appointment.

## Kind Reminders:

Your 2024 tuition receipt is attached to your January 2025 invoice email.
