Back to School Parent Night

Back to School Night will be Wednesday, **September 23th**, **7:30 – 8:30 via**

Zoom. This will be a great time for parents to learn all about our school curriculum, our Montessori method of teaching and philosophy and our preschool events.

Parent Classroom Visits

Beginning in the new school year, parents of children in the Sun and Earth classrooms are invited to schedule a morning classroom observation between 9:30 and 11:00 a.m. This is a wonderful opportunity to

see firsthand how Montessori education works. Families of three-year-old children who are considering our TK program are especially encouraged to observe the TK classroom for a clear, firsthand understanding of what the program offers. After your observation, there will be time to ask questions and speak with your child's teacher or the Director. We look forward to sharing this special learning experience with you.

Inspire a Love of Reading

Families with children from birth to age five can enroll in Dolly Parton's Imagination Library and receive a free, age-appropriate book every month until their child's fifth birthday. This wonderful program helps families build a home library and enjoy meaningful reading time together. Learn more and enroll at **SCCLD.org/ImaginationLibrary**.

Lighthouse Movement Lab

We are excited to introduce the Lighthouse Movement Lab. Through music, movement, body percussion, and other playful activities, children develop rhythm, coordination, creativity, and confidence. We will share videos of some classroom activities so families can better understand

what their children are learning at school. We hope you will also play the videos at home, sing and move together, and turn these activities into joyful family time!

Authorized Pick-Up Form

If someone other than a parent will be picking up your child, please complete an Authorized Pick-Up form.. If it was not planned in advance, please text/call Barbara or Teresa. Be sure to remind that person to bring a picture ID.
