10/21 'j' 10/28 'r'

Lifetouch School Photos Day
Thur, 10/15

Families will receive a preference form in advance to select their preferred

background and prop options. Please return the completed form before Picture Day. If the form is not returned, your child will still be photographed using our standard setting.

Estimated Picture Day Schedule

- 8:30-9:15 a.m. — Ocean Room
Parents who would like to stay and support their child during the photo session are welcome to do so.
- 9:15-10:30 a.m. — Sun Room
- 10:30-11:30 a.m. — Earth Room

After Picture Day, families will receive photo proofs. Lifetouch will also email each family their child's Picture Day ID and security code for online viewing and ordering. Purchasing photos is completely optional.

Costume Party Friday, October 30

Last year's Costume Show & Tell was a wonderful experience. Thank you for making it

such a special family project—we look forward to celebrating together again!

Ocean Room Celebration | 9:30-10:00 a.m.

Because Ocean children are still very young, they will celebrate in the comfort of their own classroom with story time, music circle and family photos. Ocean families are also welcome to bring their children to watch the Sun and Earth show afterward.

Sun & Earth Costume Show & Tell | 10:00-11:00 a.m. @ KidsPoint Theater

Each child will have an opportunity to step onstage, show their costume, and share something in any way they choose—such as a rhyme, song, short musical piece, story, dance, or other creative presentation. (Please do not bring weapon toys or wear scary costumes.) Parents are welcome to wear costumes and join their child onstage for support or become part of the Show & Tell, making it a fun family performance.

After the performance, we will enjoy some refreshments together. If your child will stay at school afterward, please help them change back into regular clothes.

Parking Lot Safety: Please supervise your child closely at all times in the parking lot. Children should stay beside an adult and should not play or run in the parking area.
