Thank You!

Thank you to all the parents who were so thoughtful and generous to bring gifts for our teachers! I'm sure teachers expressed their appreciation but just in case any of you were missed, we wanted to take this opportunity to say, "Thank you so much!"

Kindergarten/TK Information Night

Wednesday, January 21st

7:30-8:30 p.m. will be our

Kindergarten / TK Information

Meeting via Zoom. Many of our

children in Sun and Earth classrooms are age-eligible for TK/Kindergarten programs. Before you make decisions about enrollment, we would like to make sure you know all that Lighthouse Montessori has to offer for your child's educational advantage. We will discuss:

- What is Montessori Transitional Kindergarten?
- Montessori Kindergarten vs. Traditional Kindergarten
- Lighthouse Montessori Curriculum and Schedule.
- Pros and Cons of Both
- Q & A

If anyone other than parents will be picking up your child on a regular basis, please be sure to complete a Pickup Authorization form. This authorization is required for routine pickups and is valid for half a year (January-June or July-December). Please note that names listed on the Emergency Contact form are for emergency situations only and do not apply to regular pickups. Pickup Authorization forms are available by each classroom door and on our website.

We truly

understand that parents are eager to know about their child's learning and growth at school and desire more communication. However, dropping-off and picking-up times may not be optimal for in-depth discussions as our teachers must focus on the children in the classroom during these periods. We warmly encourage you to make use of the communication sticky notes provided near the classroom entrance. Additionally, we welcome you to schedule a dedicated time for communication via appointment.

Kind Reminders:
