

Lighthouse Montessori Newsletter

Themes for the Month:

Holidays: Thanksgiving and Diwali

Ocean Room: color-yellow; number-1,2

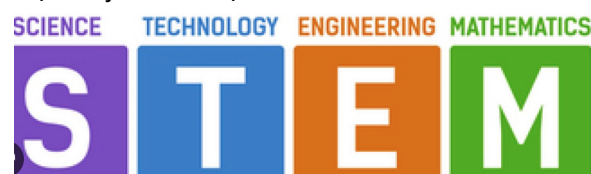

Earth Room: South America

Sun Room: North America

Letter of the Week (Sun and Earth room):

11/1 -Cc 11/8-Ff 11/15-Dd

11/22 -Jj 11/29 -Rr

STEM Room All children have one morning each week in STEM room. They are having a great time and learning lots of new concepts!

Festival of Lights The children will learn about the Indian

holiday,

Diwali. In their

lesson, they

will learn how

many families

celebrate this

special day. Parents may sign up to bring in

special treats or bring in special items to

contribute to the learning and celebration of

the Festival of Lights.

Thanksgiving Celebration

On **Tuesday, November 21**, the children will

celebrate the Thanksgiving holiday. At

Lighthouse, this is a day to celebrate

“Thankfulness”. We usually prepare food

together and have a special lunch. Please watch for more details posted outside classrooms.

Drive Safe

Our landlord has repeatedly reminded us that the parents of our students have been driving at excessive speeds in the school's parking lot and driveways. There have been several near accidents, posing a significant risk. We hereby sternly advise parents to pay attention to their driving speed and prioritize road safety.

Positive Discipline Training – Card 27

Jobs

Children learn life skills, develop social interest and feel capable by helping out at home.

- 1) Brainstorm a family job list together.
- 2) Create fun ways to rotate jobs, such as a job wheel with a spinner, job charts, or a job jar for “fishing” out two chores for the week.
- 3) Take time for job training—do chores with them the first six years.
- 4) Discuss all problems at a family meeting and focus on solutions.

Dates to Remember

Life touch Photography: Don't forget to place your orders!

SCHOOL CLOSED –

Thanksgiving Break: Wed, 11/22 – Fri, 11/24

Winter Break: Fri, 12/22/23 – Tue, 1/2/2024
